Zapata County Fire Dept has a strict regulation of only transporting patients 50 miles out of the jurisdiction.

Zapata County Fire Department encourages all senior citizens of Zapata County to get the vial of life. This guides any EMS/Firefighter Technician to the Patients medical History leading to better patient care en-route to facility. We encourage this for our senior citizens since our nearest higher medical facility is more than 50 miles away. Please take time and order one free for you today.

Thanks!
